Access to the main functions of www.425dxn.org is provided by the 425DXN App for Android. It is available on Google Play - free of charge, no ads. Enjoy!

AFRICA TOUR ---> Bernie, ZS4TX will be active as A21TX from Kasane (grid KH22), Botswana on 23-26 April, then from Namibia either as V5/ZS4TX or with a V5 callsign TBA, and finally as D2TX from the Cuatir Nature Reserve (grid JH93), Angola on 30 April-4 May. These will be 2m & 70cm EME and TEP operations; RS-44 satellite QSOs may also be considered if the EME activity is low. QSLs direct to PA3CMC.

INTERNATIONAL MARCONI DAY ---> Organized by the Cornish Radio Amateur Club, the International Marconi Day (IMD) is a 24-hour amateur radio event held annually to celebrate the birth of Guglielmo Marconi (25 April 1874). It is not a contest, but an opportunity for amateurs around the world to make contacts with historic Marconi sites using HF communications techniques. This year's event will be held on 26 April, from 00.00 UTC to 23.59 UTC. Details, including information on the Award Certificates and the listing of participating stations, can be found at <https://qx4crc.com/>.

NCDXF DXCELLENCE AWARD ---> "In April 2021, the Northern California DX Foundation announced the creation of the 'NCDXF DXcellence Award' - to be given to the outstanding DXpedition of the previous twelve months. The award is intended to recognize excellence in a DXpedition that received funding from NCDXF as exemplified by its practices, ethics, management, transparency, impact upon the DXing community and, lastly, exhibited fun!

The winner of the award is determined by the NCDXF Board of Directors. The board considers several factors, including performance, complexity of the DXpedition and impact on Club Log's most wanted ranking. Especially important are activities associated with supporting local humanitarian and educational needs.

At our annual Board of Directors Meeting at the IDXC in Visalia last weekend, we voted on this year's award and decided that two DXpeditions deserved one. The following presentations were made:

- * The N5J Jarvis DXpedition received the NCDXF DXcellence Award at the IDXC Banquet for their successful 100% RIB operation on Jarvis Island.
- * The 3D2Y Rotuma youth DXpedition received the NCDXF DXcellence Award at the IDXC DX Forum. Their support of youth with a host of youth remote operators was very impressive.

The NCDXF looks forward to DXpeditions this year that may qualify for the next award in 2026. We are hopeful that many DXpeditions will be funded by NCDXF and qualify for this award".

The mission of NCDXF is to provide necessary financial support for well-organized DXpeditions to desirable DXCC entities and to support advances in DXpeditioning skills, technology, and infrastructure: <https://www.ncdxf.org>.

YOTA JUNIOR CAMP ---> The inaugural YOTA Junior Camp for young amateur radio operators under the age of 15 in North, Central, and South America is scheduled to take place on 25-27 July at the National Voice of America Museum of Broadcasting in West Chester, Ohio. The application period is open until 1 June at <https://youthontheair.org/jrcampapply/>.
